About Veritas Corporate

Veritas Corporate was formed in May 2010 by professionals who have worked in the industry for over 20 years. From our premises in West & South Yorkshire we supply a range of uniforms and PPE requirements to a growing number of companies throughout the UK.

We also provide a comprehensive bespoke manufacturing option for all our clients. In addition, we source a range of products locally for smaller volumes and customise these internally where required.

Our mission is to continue our growth into a significant supplier of bespoke corporate clothing constantly exceeding the high expectations from our customers.

WORKWEAR

OUR BUSINESS

Veritas are moving into a position of a market leader by offering excellent products at outstanding value and providing an unparalleled service to our customers. Veritas is a trusted supplier of bespoke corporate clothing to a wide range of business sectors and company sizes.

EMBELLISHMENT

Our own in-house professional print and embroidery service which allows Veritas to offer a truly bespoke service.

This option provides the perfect corporate finish for all workwear through both print and embroidery media.
